Winner of an 'Excellence in Film Making Award' at the Canadian International Film Festival 2014.

**During this gap in dates, I moved away from broadcast editing and started a production company specialising in the production of TV commercials and high-end corporate dramas and films. As an owner of the company I produced, directed, wrote scripts and edited most of our productions. The following productions are just a few of the programmes I edited prior to this move. **

Dragons Eye - BBC Wales 2008 20 x 30

Off-line & online editor / Fast turnaround weekly current affairs programme about Welsh politics.

Rough Trades - National Geographic 2007 - 5 of 20 x 30
